RE: Northeast Metro Technical High School  
Project: 60-20-409

Dear Vladimir,

This is to acknowledge that we sent to WMGL&D a work order application, load letter, and site plan locating their utility feeders, junction boxes, and pad mounted transformers for the new electric service for Northeast Metro Technical High School. They have acknowledged receipt of this information and have also acknowledged that there will be a new service for this project.

Very truly yours,
