<http://northeastbuildingproject.com/voting-locations/>

Mr. Anthony LoPresti, PMA opened floor for open discussion.
Many questions were fielded, and specifics were clarified.

Voting Signs distribution was informed on. There is only about 30 signs made for a total of 15 polling locations.

Superintendent DiBarri again reiterated to keep getting the word out and noted if anyone has any problem ‘manning polling locations’ to please contact him.

Mr. Nickole also noted to please contact him as well if needing any other coverage at polling locations.

Mr. Nigro extended a thank you to all involved for getting everything this far. We have been received very well. They have put together a personal email with all ‘factual information’ to share on each of their own Contact lists. Blasting this out on email and text will keep spreading awareness of this important vote. This will be passed to anyone interested in sharing.

Mr. LoPresti noted as well, that if anyone has any questions PMA will be available all weekend.

A virtual reality video was created of a fly-through and shown to all which starts at the new Farm Street entrance and covers full site of the new School Building and its grounds.
